

ROH

CURRICULUM VITAE

BAGUS PANDEGA

ROH

BIOGRAPHY

Born 1985, Jakarta, Indonesia

Lives and works in Bandung, Indonesia

Working primarily through the medium of installation, Bagus Pandega often challenges pre-conditioned relationships between objects and its viewer. In his works, Pandega assembles various electronic systems as 'modules' and explores objects such as voice recorders, cassette and record players, lamps and electronic circuit boards— among others— to construct his works. Many of his artworks become activated through the interaction of movement, sound and light.

Pandega received his Bachelor of Arts, majoring in sculpture and his Master of Fine Arts from the Faculty of Art and Design, Bandung Institute of Technology, Bandung, Indonesia in 2008 and 2015 respectively. His special solo project *Stomata* is currently on view at Esplanade Concourse, Singapore (2024-25). Pandega's selected solo exhibitions include *○* at ROH, Jakarta, Indonesia (2024); *A Pervasive Rhythm* at Yamamoto Gendai, Tokyo, Japan (2018); *Random Black* at ROH Projects, Jakarta, Indonesia (2016); and *A Monument That Tells Anything* at Cemeti Art House, Yogyakarta, Indonesia (2015). Selected group exhibitions include Art Basel Hong Kong with ROH, Hong Kong (2023); The 10th Asia Pacific Triennial at QAGOMA, Brisbane, Australia (2021-22); *Tiger Orchid* presented at Art Basel OVR: Miami Beach (2020); *Condo London* at Project Native Informant, London, UK (2020); *Ripples: Continuity in Indonesian Contemporary Art* at Taipei Dangdai, Taipei, Taiwan (2019); *Distorted Alteration* at Project Fulfill, Taipei, Taiwan (2018); Amsterdam Light Festival, Amsterdam, the Netherlands (2017); and *Clandestine Transgression* at Art Basel Hong Kong: Discoveries with ROH Projects, Hong Kong (2015). After winning third place at Bandung Contemporary Art Awards #2, Pandega completed his first residency at Le Centre Intermondes, La Rochelle, France in 2012. A nominee of the 2016 Sovereign Art Prize, Pandega had also collaborated with Adi Purnomo and Irwan Ahmett in presenting *Freedome, Indonesia Pavilion* at the London Design Biennale: Utopia by Design in 2016.

Bagus Pandega is a close collaborator of Kei Imazu. Their collaborative work has been presented at various international group exhibitions, including Bangkok Art Biennale: *Nurture Gaia* in Bangkok, Thailand (2024); *WAGIWAGI* at documenta fifteen, Hübner areal, Kassel, Germany (2022); *Frieze Seoul* at Coex, Seoul, South Korea (2022); *Declaring Distance: Bandung — Leiden* at Selasar Sunaryo Art Space, Bandung, Indonesia (2022); and *AAAHHH!!!* Paris Internationale, Paris, France (2018).
