SYAIFUL AULIA GARIBALDI

ROH

BIOGRAPHY

Syaiful Aulia Garibaldi (b. 1985, Jakarta, Indonesia) is currently pursuing his Master's Degree in Environmental Science at Universitas Indonesia. He obtained a Bachelor's Degree in Fine Arts, Printmaking Studio from Institut Teknologi Bandung. Syaiful, fondly known as Tepu, previously pursued education in agronomy before pursuing experimental fine arts, where he applies his scientific background to create a conceptual foundation for his art. Tepu's works in installation, painting, drawing, printmaking and video show a remarkably strong vision of art that collides with science in a graceful manner. His creation of an immersive environment was sparked by his interest in the networked and interconnected nature of ecologies, and the evocative power of microorganisms as symbols of death and decay, as well as life. Infusion between art and science transcends through Tepu's work and gives way to a new gateway of knowledge, which is illuminated within his prints and installations.

Tepu has been featured in numerous solo exhibitions, the most recent ones being *tumbuh* at ROH, Jakarta, Indonesia (2022); *Sudor* at Silverlens Galleries, Manila, Philippines (2020); *Lemniscate* at Mind Set Art Center, Taipei, Taiwan (2018); *Limaciform* at Silverlens Galleries, Manila, Philippines (2017), *Quiescent* at ROH Projects, Jakarta (2016); and *Abiogenesis: Terhah Landscape* at Pearl Lam, Singapore (2014). He has been a part of major group exhibitions in various countries, such as Indonesia, Singapore, China, Taiwan, France, Italy, Belgium, and Hong Kong. The most recent ones include *Indonesia Bertutur: VISARALOKA* (2022) at Apel Watoe Art Gallery, Borobudur, Magelang, Indonesia; *1* (2022) at ROH, Jakarta, Indonesia; *Chromatic Network* at Galeri Salihara, Jakarta, Indonesia; *And Life Goes On* (2020) at Mind Set Art Center, Taipei, Taiwan; Art Basel Hong Kong 2019, Hong Kong; *Natural Capital (Modal Alam)*, Europalia Indonesia, BOZAR, Centre for Fine Arts, Brussels, Belgium (2018); West Bund TALENT at West Bund Art Center in Shanghai, China (2017); the 2017 edition of Jogja Biennale and Art Stage Jakarta, Southeast Asia Plus (Sea+) Triennale at Galeri Nasional Indonesia, Jakarta, Indonesia (2016), and Prudential Eye Zone at ArtScience Museum, Singapore (2015). Tepu with Lokus Foundation is also currently part of *Iron Placenta* (2022), an ongoing research project by Irwan Ahmett and Tita Salina; had residencies at ABC Learning Town, Siheung, South Korea in 2015 and Centre Intermodes, La Rochelle, France in 2014. He is awarded Best Artist for Tempo Magazine Award in 2016 and Bandung Contemporary Art Award (BaCAA) in 2013. Tepu is currently living and working in Bandung, Indonesia.
