BIOGRAPHY

Born 1974, Jakarta, Indonesia

Lives and works in Jakarta, Indonesia

Davy Linggar is a celebrated Indonesian artist who works primarily through the mediums of photography and painting. There is a substantial breadth to his practice in his investigation of the things that constitute an image and its interrelatedness to perception, memory, form, feeling, and experience. His acute sensibilities are then translated into a diverse array of possibilities – be it through moving images, photographs, paintings, or drawings. In establishing a distinctive aesthetic vernacular, Linggar engages with and through architecture, popular culture, fashion, and nature. He deftly negotiates, and finds balance, between many different forms of energies and forces.

Linggar finished his training at Bandung Institute of Technology, Bandung, Indonesia in 1995 and at UGH Essen, Essen, Germany in 1997. Selected solo exhibitions include *View Finder* at ROH, Jakarta, Indonesia (2024); *Aperture* at ROH, Jakarta, Indonesia (2022); *Cut* at AAAAHHH!!!
